1. Contract

- 1.1 Any RWE group company (**RWE**) may be named in and raise a **written purchase order (order)**. An **order** is an offer by **RWE** to purchase the goods, services and/or deliverables as described in the **order (goods, services, goods/services)** from the contractor named in the **order (Contractor)**. **Orders for goods/services** placed by **RWE** are subject to these conditions (together the General Terms and Conditions (**GTC**) and severally a condition (**condition**)).

2. Interpretation

- 2.1 In these **GTC**:
 - (a) the use of 'including' and similar expressions does not limit the generality of any preceding words.
 - (b) unless the contractual context otherwise requires, a reference to a statute or statutory provision includes any statute or statutory provision as enacted, re-enacted or amended either before or during the **contract term**.
 - (c) Writing (**writing**) includes electromagnetic forms (such as emails). With regard to SAP purchase **orders**, the **Contractor** and **RWE** agree that an SAP purchase **order** signed with an electronic signature or a simple SAP purchase **order** without an electronic signature shall also be recognized as validly agreed. If the **Contractor** and **RWE** expressly agree, a **Contract** may also be concluded with a simple electronic signature.
- 2.2 A reference to applicable law means all law, statute or regulation in force at any time which relates to this **contract**, the **goods/services**, **RWE's** site and the **delivery place** (including those relating to health and safety, competition, anti-trust, anti-money laundering, anti-corruption/anti-bribery, foreign trade, export control and sanction laws) (**applicable law**).
- 2.3 With respects to rights which either the **Contractor** or **RWE** can unilaterally declare such as a termination notice (*kaijo-ken*) or a rescission of **contract** (*torikeshi-ken*) as well as the exercise of the **Contractor's** or **RWE's** right to determine the performance under this **contract** (*rikouseikyuu-ken*), these declarations or notices shall only be made by written notice in accordance with Article 97(1), 123 and 540(1) of the Japanese Civil Code.

- 5.4 Any signature from **RWE** on any delivery note or other documentation presented in connection with the **delivery** of the **goods/services** is evidence only of what has been received and is not evidence that the correct quantity of **goods** has been **delivered** or that **goods/services delivered** otherwise comply with the requirements of this **contract**.

6. Delivery Date

- 6.1 Without prejudice to **RWE's** rights, if the **Contractor** considers that it cannot **deliver** the **goods/services** on the **delivery date**, the **Contractor** must notify **RWE** of the delay as well as the circumstances causing the delay as soon as the **Contractor** can.

7. Instalment Delivery

- 10.1 Title and risks to **goods** pass to **RWE** upon **delivery** to the **delivery place**. This is without prejudice to simple retention of title in the **Contractor's** favour.
- 10.2 The **Contractor** keeps **goods** insured for their full replacement value until risk passes to **RWE**. Any **goods** damaged or lost in transit is the **Contractor's** responsibility.

- 11.9 Any payment does not affect any rights or obligations of either the **Contractor** or **RWE** and does not mean **RWE** accepts that the **Contractor** has fully complied with its obligations under this **contract**.

12. Change and Variation

- 12.1 In the case of **contracts** for the provision of **services** (e.g. contract for work), **RWE** may request changes to the scope of **delivery** (including the contractually agreed **delivery date**), unless this is exceptionally unreasonable for the **Contractor** in the individual case. The **Contractor** complies with such a request. The effects of such requests, in particular with regard to the additional and reduced costs as well as the **delivery dates**, are to be taken into account appropriately and in principle agreed in **writing** between **RWE** and the **Contractor** prior to the execution of the changes. In cases of imminent delays in **delivery** or in case of imminent danger, **RWE** may demand that the **Contractor** already commences with the execution prior to this **written** agreement. The **Contractor** complies with this request.
- 12.2 Additional agreements, amendments and additions to the **Contract** require a **written** agreement between the parties, which may also take the form of an electronic SAP **order**.

13. Default and Remedy

- 13.1 The **Contractor** and **RWE** have full recourse to the statutory warranty rights.
- 13.2 The statutory defects notification period applies if the **Contractor** and **RWE** have not explicitly agreed otherwise, starting with the **delivery** or acceptance of the **goods/services**:
- 13.3 Where the **Contractor's default** causes **loss** to any third party, then the **Contractor** indemnifies **RWE** from any **loss** incurred by or awarded against **RWE** by such third party and no maximum liability cap applies to this indemnity.
- 13.4 Where the **Contractor** in respect to the contractual relationship is demonstrably involved in an unlawful restraint of competition prior to this **Contract** and/or acts anticompetitively before or after this **Contract**, the **Contractor** pays, irrespective of any other liability rules, liquidated damages in the amount of 15% of the **fee**, unless a damage has been accounted for in a different amount. This also applies if the **Contract** has been terminated or

already been fulfilled. Other rights of **RWE** remain unaffected.

- 13.5 Unlawful restrictions of competition are in particular anti-competitive negotiations, recommendations or appointments with other bidders (tenderers) / applicants regarding:
- (a) submission or non-submission of bids (tender) including territorial agreements,
 - (b) pricing as well as profit arrangements or
 - (c) delivery quantities.
- Such acts of the **Contractor** itself are equivalent to acts of persons appointed by it or working for it.

14. Insurance

- 14.1. Without prejudice to any rights or obligations under the **contract** or at law, the **Contractor** takes out and maintains insurance in force for the term and for the period of time over which the **Contractor** has continuing liabilities under this **contract** or **applicable law**, with reputable and substantial insurers and of the nature and extent as would reasonably be expected taking into account the nature and extent of the **Contractor's** obligations under this **contract** or **applicable law** and which includes the insurance cover set out in this **condition** below and to be evidenced by certificates of insurance made available to **RWE** within seven (7) days of **RWE's** request:
- (a) employer's liability insurance in the amount of at least €5,000,000 for any one occurrence or the amount required by **applicable law**, whichever is higher;
 - (b) public, product and environmental liability insurance including against liability to third parties for any death or personal injury and **loss** of or damage to any physical property including the **goods** in each case arising out of or in connection with the carrying out of the **delivery of goods/services** in the amount of at least €5,000,000 for any one occurrence;
 - (c) such other insurances as **applicable law** requires.
- 14.2 Deductibles applying under any insurance are for the **Contractor's** account where such deductibles relate to **loss** for which the **Contractor** is responsible under the **contract**.
- 14.3 Where the **Contractor** receives insurance proceeds from the **Contractor's** insurers relating to an insured event under this **contract**, the **Contractor** pays to **RWE** such sums as are claimed from and/or are due and payable to **RWE** from such insurance proceeds and/or uses them solely to replace/rectify any associated **default**.

15. Liability

- 15.1. The **Contractor** is liable for any breach of duty and the resulting damage unless it proves that it is not responsible for the breach of duty. Furthermore, the **Contractor** is obliged to indemnify **RWE** against all claims for damages by third parties which third parties assert against **RWE** for reasons based on a default in the **Contractor's delivery**, unless the **Contractor** proves to **RWE** that it is not responsible for the event causing the damage. This **condition** also applies if the **Contractor** uses a vicarious agent.

16. Termination

- 16.1 **RWE** may terminate this **contract** at any time in accordance with the statutory provisions by giving to the **Contractor** written notice.
- 16.2 The **Contract** may be terminated immediately by notice if:
- (a) the **Contractor** or **RWE** is in material breach of any of its obligations under the **contract** and the breach is not capable of remedy; or
 - (b) the **Contractor** or **RWE** is in material breach of any of its obligations and fails to remedy the breach (if capable of remedy) within 14 days of a written notice requesting such remedy (a breach is considered capable of remedy if time is not of the essence in performance of the obligation and if the person in **default** can comply with the obligation within the 30 day period given to comply).
- 16.3 Where **RWE** may terminate the **contract**, **RWE** may instead terminate the **contract** in respect of part only of the **goods/services** and in which case, the **contract** continues in respect of the **delivery** of the remaining **goods/services**.
- 16.4 Where the **Contractor** is in default because the **Contractor** has demonstrably been involved in unlawful restrictions of competition at **RWE's** expense, then in addition and/or instead of the remedy available to **RWE** under **condition 13 (Default and Remedy)** **RWE** may immediately on written notice either rescind or terminate the **contract**. In the event of rescission, the relevant **applicable law** applies.

17. Consequences of Termination

- 17.1 On any termination or expiry **RWE** pays the **Contractor** the fees due and payable pro rata for any **goods/services delivered** (and not cancelled or rejected) and not yet paid for as at the date of expiry or termination.
- 17.2 Where **RWE** terminates for the **Contractor's default**, **RWE** may recover from the **Contractor**, to the extent not already recovered, the sums set out at **condition 13 (Default and Remedy)** and the **Contractor** will also pay to **RWE** any consequential **loss** incurred by **RWE** as a result of the termination).

Such vetting requirements include but are not limited to: checking identities, rights to work, references, qualifications and driving licences. The **Contractor** keeps records of such checks and shows the records to **RWE** if **RWE** asks to see them.
